

# Understanding relationships among females through evolutionary biology – towards sustainable gender parity

Tuesday, March 16, 2021 in Japan standard time

10 : 00 – 10 : 20	Introduction	Matsumoto-Oda, Akiko (University of the Ryukyus)
10 : 20 – 11 : 00	Conflict and cooperation among females in primates	Oda, Ryo (Nagoya Institute of Technology)
11 : 00 – 11 : 40	Evolution of cooperation and competition, and sex-difference therein.	Ohtsuki, Hisashi (Graduate University for Advanced Studies)
11 : 40 – 12 : 30	Break	
12 : 30 – 13 : 40	Lesser apes? What can female apes tell us about social relationships?	Thompson, Melissa Emery (University of New Mexico)
13 : 40 – 13 : 50	Break	
13 : 50 – 14 : 30	Brain, Mind and Gender: A Developmental Cognitive Neuroscience Perspective	Hirai, Masahiro (Nagoya University)
14 : 30 – 15 : 10	The source of female-female conflict: for reproductive contest or intra-minority stress?	Sakaguchi, Kikue (University of Tokyo)
15 : 10 – 15 : 30	Break	
15 : 30 – 16 : 30	General discussion	Matsumoto-Oda, Oda, Ohtsuki, Hirai, Sakaguchi, and Ohira, Hideki (Nagoya University)

**Anyone interested can participate**

**Admission Free**

Note :

This conference will be held online. All the speakers will give their talks in Japanese except for Dr. Thompson. Prior registration is required to attend the conference. Please email [evolugend@gmail.com](mailto:evolugend@gmail.com) for registration by March 12 in Japan standard time. As to the questions in general, please email [evolugend2@gmail.com](mailto:evolugend2@gmail.com).

Sponsored by Grants for Gender Studies Workshops offered by Nagoya University's Gender Research Library
